HEADQUARTERS UNITED STATES AIR FORCE  
WASHINGTON 25, D. C.

25 June 1959

Colonel Earl McFarland, Jr.  
Chairman, GMAIC  
Room 2A 270  
The Pentagon

Dear Colonel McFarland:

It is regretted to inform you that because of my reassignment on 1 July 1959, I will no longer be available for the chairmanship of the Subcommittee for Guidance to Collectors of the GMAIC. It is recommended that my replacement, Lt Colonel Joseph A. Burt, carry on in this position for the sake of continuity. Pending establishment of his clearance status, Major Warren J. Hare, who is thoroughly familiar with the workings of the SGC, is available to act in his stead.

In parting I would like to express my personal appreciation for the cooperation of the other members of the SGC and express my hopes for the continued effective contribution being made by the GMAIC.

Sincerely,

A handwritten signature in cursive script, reading "Raymond B. Holden", is positioned above the typed name.
